Smoke Alarm Subsidy

The Victorian smoke alarm subsidy scheme is a Government funded subsidy providing specialised smoke alarms to Deaf and hard of hearing people living in Victoria. The smoke alarm alerts users to fire hazard through sight (flashing light) and tactile (vibrating pad) to ensure safety within your home, particularly when asleep.

To be eligible you must be

- Deaf or hard of hearing with a severe to profound loss or a severe high frequency hearing loss $\geq 70\text{dB}$ (2, 3 & 4kHz)
- A resident of Victoria
- Not eligible to other funding services that provide this package, eg NDIS, My Aged Care.

The smoke alarm pack retails at \$685. Those who are eligible will receive the pack for a \$50 out of pocket fee. The fee can be waived for those who hold a Pension Concession Card.

To apply for the subsidy, please visit expression.com.au/services/smoke-alarm-subsidy and complete the application form or contact our team via info@expression.com.au
